THE ONLY BUSINESS READ YOU NEED

PROSPER Magazine is the region's longest running business publication and now it's Bigger, Better and Bolder!

USING THE POWER OF THE BLACK COUNTRY CHAMBER OF COMMERCE TO PROMOTE YOUR PRODUCTS AND SERVICES.

Championing Black Country businesses and keeping them informed with local news and insights is at the heart of everything we do at The Black Country Chamber of Commerce and PROSPER Magazine is one of the most popular regional business publications with a reputation to match!

Relaunched in 2019, The Black Country PROSPER Magazine is a valued source of news, information and commentary for business leaders, business owners, senior managers and influencers.

During the COVID-19 emergency and, over the coming months, as our readers get used to the new normal and ways of operating, PROSPER Magazine has become a digital-first read – with a new edition out each month.

This means more PROSPER Magazine, more frequently and, at a time, when businesses and decision makers are seeking solutions and assistance to help them navigate the months ahead.

Benefiting from a fully immersive, interactive and engaging digital experience; PROSPER Magazine reaches all members of the Black Country Chamber of Commerce, the inboxes of our extensive databases and is supported through both Chamber and dedicated social media channels to drive traffic to prospermagazine.co.uk where visitors can read the latest edition.
